push
NO, YOU'VE CLEARLY GOT IT WRONG THIS IS WHY YOU HAVE SUCH ENORMOUS TITS.
YOU'RE ALL MIXED UP.
COCK-ROACHES ARE MUCH PREFERABLE TO SNAKES.
THAT'S GOT NOTHING TO DO WITH IT!
Got it
Should I ask her to come help?
I BET TOSHINOU-SAN DOESN'T HAVE ANY PROBLEM WITH SNAKES.
N- NO WAY, OF COURSE NOT!
U-UM, LET'S JUST FOCUS ON GETTING RID OF THE SNAKE...!

At the start of a new semester, Akaza Akari enters middle school. In her easy-going, yuri-tinged daily life, she lolls around doing things like reading manga and eating candy in an amusement club with her old friends, Toshinou Kyouko and Funami Yui, as well as strolling about her house with them. Now, what will happen this time?

I COULDN'T BEAR IT IF SHE SAW ME FREAKING OUT OVER SOME STUPID LITTLE SNAKE...!
Ahaha
SNAKES DON'T FRIGHTEN YOU EITHER, IKEDA-SEMPAI?
Ah
NOT ONE BIT.
SORRY, THOUGH. I'M BUSY.
